Season 2, 2021

## COVID-19 game marshal

As part of Albury Indoor Netball Association's COVID-19 Safety Plan, all junior netball teams must provide a COVID-19 game marshal as a condition of play. Failure to provide a Marshal in accordance with the roster will result in the team being unable to take the court.

**If you are unable to provide a marshal or would like to swap your rostered week, please advise the Albury Indoor Netball Committee at least 24 hours before the game.**
